mahnoorarshad311002@gmail.com

EXPERIENCE

Full-Stack Development Intern | Ustadam

- Developed a web application for children's moral development using MEAN, applying full-stack development and agile methodologies (2023).

EDUCATION

UET (Main Campus), 2021 to Present

BSCS | 7th Semester | CGPA: **3.30**

Punjab Group Of Colleges, 2019 to 2021

FSc. Pre Engineering

ACADEMIC PROJECTS

- **E-Learning Desktop App** – C++ | .NET
- **Game Framework & Game** – C++
- **C++ Compiler** – Built in C++
- **Loan Management System** – WPF .NET Framework | C++
- **Real Estate Scraper** – Selenium | Scraped Zameen.com data, applied DSA algorithms
- **Information Retrieval Systems** – Implemented BM25, Proximal Nodes, GVSM, LSI
- **Plagiarism Detector** – OCR, TF-IDF, Cosine Similarity
- **Point of Sale System** – Developed POS system
- **E-commerce Web App** – Full-stack (ReactJS, Node.js, MongoDB)
- **Home Office Network Design** – Computer Networks | Designed a network for a home office setup

PROFESSIONAL SUMMARY

Aspiring **Software Engineer**, adept at software architecture, design, development, and technical writing. Experienced in leading teams and quick to learn and adapt to new technologies.

LEADERSHIP ROLES

- **Lead Organizer** – Confiniti Tech Society
- **Graphics Lead** – Ultimate Tech Crew

SKILLS

- Java | C++ | Python | React JS | HTML | CSS | JavaScript | Spring Framework | C# | ASP.NET
- Node.js | MongoDB | Angular | WPF .NET | SQL
- Git | OpenCV | PostgreSQL | MySQL
- Object-Oriented Design | Agile Methodologies | Software Architecture | System Design
- Technical Writing | Code Optimization | Efficient Debugging | Team Leadership

CERTIFICATIONS

- **Machine Learning Specialization** – Stanford University | Feb 2024
- **Advanced Learning Algorithms** – Stanford University | Jan 2024
- **React Basics** – Meta | Feb 2024
- **Advanced React** – Meta | Jan 2024
- **HTML and CSS in Depth** – Meta | Jan 2024
- **Introduction to Front-End Development** – Meta | Dec 2023
- **Programming for Everybody** – University of Michigan | Oct 2023
